Two page signed statement
of Mrs. Dona Herrick,
dated 6-16-68.

June 16, 1968
San Gabriel

California

I, Dona Herrick, hereby furnish the following voluntary information to D, Bruce Bradford & Norbert R. Linker who have identified themselves to me as special agents of the FBI.

I live at 9436 Pentland, Temple City, Calif. My husband, Ben J. Herrick & I operate the Lock Stock 'N Barrel located at 8972 Huntington Dr. San Gabriel, Calif. I am 42 years old.

On or about April 3, 1968 I was working at the store. Sometime between one & six P.M. three males of foreign extraction entered the store. I had never seen them before or since. Only one of the three spoke and with such an accent I could not understand him. I asked Ben to help me to understand him. I then understood this same person to say, "Do you have any 357 Mag. tank ~~pierc-~~ing ammo," or words to that effect. Ben replied "We don't have any". The three then left without speaking further. They were here only 3 or 4 minutes. I did not see them leave in any car. As they were leaving they picked up one of our business cards from the counter. They made no purchase.

5C-156-1085

page 2

On June 16, 1968 I was shown a group of 6 photo's by agents Bradford & Linker. I selected a photograph of Sirhan Bishara Sirhan & I am positive this is a photo of the man who inquired about 357 Mag. Tank piercing ammo on or about April 3, 1968.

A photo of Adel Sirhan & Munir Sirhan have been shown^{##} to me by the FBI on this date & both of these men both bear strong resemblance's to the men who^{##} were with Sirhan Bishara Sirhan on or about April 3, 1968 in our store.

I was not at the store on June 1, 1968 when cash sale #^{PX}2372 was made.

I have given original bill of sale #23.72 dated June 1, 1968 to agents Bradford & Linker This date June 16, 1968.

The Hon. Edward Kennedy, U.S. Senate, Washington D.C.

Dear Sir:

While expressing to you my sincere sympathy and shock at the horrible events of recent days, I must tell you of a strange coincidence which keeps nagging me:

Mr. Richard Cotton, international silver speculator, ultra-rightist broadcaster and pamphleteer, close associate of the liberty-lobby, and occasional P.R. man for certain foreign governments :

1) Within the past 6 months travelled at length in the Arab League countries and especially in Jordan at their expense.

2) Upon his return broadcast, spoke and wrote extensively in support of Jordan and the Arab countries and violently attacked Israel and its supporters.

3) His home base and staff are in or near Pasadena

4) He has over the past year strongly attacked senator Robt. Kennedy. Words such as 'treason', 'conspiracy', 'Aid and comfort to the enemy', etc etc occuring regularly in his remarks on the late senator.

5) He has frequently and strongly approved, endorsed and defended on the radio organizations, especially the Minute Men, which advocate and prepare intervention by force of arms in U.S. politics.

These are not accusations, but very easily verifiable facts, which, as stated above, may all be just a coincidence.

Things being what they are in our country, you will pardon me if I do not sign my name.
